

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." - Jeremiah 29:11

Note from the Executive Director

I can hardly believe it is August already! The summer is flying by, but it seems that the heat is here to stay! We have had a wonderful July at Hope's Path. From our weekly life-skills classes to the Friday and Sunday night family dinners, to the weekend hangouts, the interns do seem to be enjoying the warm weather and sense of community they are surrounded with at home.

I am consistently impressed with our volunteers at Hope's Path. I have never experienced such a dedicated and supportive group of people that show up and invest in the lives of our interns. Just some examples to name a few: Mark & Katherine, who are here weekly to prepare meals with the guys. Hailey is here almost every Tuesday night to teach finances and budgeting to our interns. Kim comes weekly to mentor Blue and gives insight into his writing skills. And Rob, who teaches many of our life-skills classes week in and week out. Thanks to them and the several other people and groups that take time out of their busy schedules to do Kingdom work and bless. You are appreciated and cherished. If you are interested in learning more about how you can get involved at Hope's Path, please send me an email at brandon@hopespath.org. No matter what you are gifted or talented at, we can get you plugged in and make a difference.

Thank you for being involved in our mission in one capacity or another. We could not continue without your prayers and support. Please continue to pray for our interns and staff. We are hoping to expand our home and go up to fourteen young men in the next 6-12 months. This will not be easy but will be necessary to serve more aged young men.

Have a wonderful August and stay safe!

God Bless,
Brandon Anderchuk

Intern Spotlight

Many former foster kids have a difficult time with the abrupt changes related to aging out care. They're less likely to find a job, go to college, or even find a place to sleep every night. Imagine asking yourself the following questions, "What happened when I left the foster care system? What made a difference for me? What might have helped? Who supported and guided me when I aged out?" Hope's Path bridges the gap in services and builds supportive networks so that our interns can answer each of these questions with confidence, courage, and a resilient spirit to succeed.

A key feature of our program and an ongoing program need is recognizing how vehicle ownership will assist our interns. Chris is a skilled glass installer for homes and businesses. In May 2022, he approached the staff with a detailed plan to purchase a 2007 Ford F-150 from Hope's Path. He stated that he had always wanted to own a truck and that this financial commitment would help him build upon his dream of expanding his own glass installation business, Windows Galore & More. Our support helped him feel empowered and we are so proud of his entrepreneur dreams. On July 22, 2022, Chris made his final payment to the Hope's Path vehicle program. It is an incredible thing to witness when a young man can answer the questions above with a smile on his face and is feeling proud for accomplishing a specific goal and optimistic about his future. Sometimes it's the things that seem small that count the most!! Thank you to all our volunteers, mentors, and donors for helping Chris.

What Drives a Culture of Belonging

At Hope's Path, we encourage our young men to work together as a group. In doing so, we incorporate a sense of belonging which, in turn, creates opportunities for our interns to gain a better awareness of community; what it means to be a part of one, and how impactful it is in establishing and maintaining a sense of safety. Related to this is the importance of consistency and predictability. Northside Christian Church is a consistent and active presence in the lives of our interns. During a recent July afternoon of fellowship, members joined us on site for cornhole and basketball. We enjoyed laser tag in the shade and shared a meal. Thank you, Northside Christian Church for recognizing that the church is uniquely equipped with various passions to impact the community. Your time and commitment are truly a blessing that reiterates the values of the Hope's Path mission. And thank you to your member volunteers for their giving hearts and for their examples of what it means to serve our God and our Community.

Please continue to pray for Hope's Path and our fantastic partner, Northside Christian Church

Upcoming Event

Dinner Included

HOPE'S PATH

50/50 Raffle

CORNHOLE TOURNAMENT

Saturday, October 22nd
4:00 p.m. - 6:00 p.m.

Register at:
281-465-8121 Or
www.hopespath.org/events

Our Current Needs

Hope's Path currently has an urgent need. Our Intern Home needs another refrigerator and freezer. If you can help please contact us at 281-465-8121 or email us at info@hopespath.org. **THANK YOU!**

With your support, Hope's Path can continue to *provide a place of healing within a Christ-Centered environment, where young adults are **SUPPORTED, EQUIPPED, and EMPOWERED** to grow in their potential to lead successful independent lives.*
