

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." - Jeremiah 29:11

Note from the Executive Director

Hello! And welcome to our much anticipated and long overdue newsletter from Hope's Path. We are excited to bring back a monthly newsletter on the first Monday of every month. I have now been with Hope's Path for two months as the Executive Director and I can tell you firsthand that this organization continues to amaze me each day. Our staff are reliable, consistent, and dedicate themselves to bettering the lives of our interns. And our volunteers...WOW! I have had the privilege of meeting a handful of these wonderful men and women who give of their time and talents to invest in our interns. I am utterly amazed by the people I have met thus far associated with Hope's Path, especially our interns. These guys, the seven we have in-house right now, are on a path of success that will no doubt lead to true independence when they complete their time with us.

My days are spent connecting with local church leaders, volunteers, small business owners, and other community members to spread the mission and vision of Hope's Path and get people excited about what we are doing and how they can make a difference. When we bring people to the home for the very first time, I hear the same response over and over, "THIS PLACE IS REALLY NICE"! This response motivates me to not only continue what we are doing but improve and grow our organization to make an even larger impact in our community.

These newsletters will give updates on our program, highlight intern successes and recognize volunteers. We will provide information on how you can support us and help change the lives of these young men for the better. We are looking forward to these monthly newsletters as just another avenue to connect and communicate with you. Thank you for being part of Hope's Path!

God Bless,
Brandon Anderchuk

Current Needs

There are many ways to support Hope's Path. Currently, we are in need of the following:

- Volunteers willing to help transport interns to work and school
- Mentors
- Volunteers for Friday Night Make-a-Meal
- Volunteers willing to relieve our Residential Staff
- Volunteers willing to invite, host, or sponsor activities for the interns (church activities, fishing, movies, BBQ, bowling, etc)
- Used Cars

Your Support Matters

Did You Know...

20% of foster youth will experience homelessness?
Only half will be employed by age 24
Only 3% will graduate from college

Hope's Path works to help former foster youth overcome these statistics

With your support, Hope's Path can continue to *provide a place of healing within a Christ-Centered environment, where young adults are **SUPPORTED, EQUIPPED, and EMPOWERED** to grow in their potential to lead successful independent lives.*
