## March Newsletter

### Message from the Executive Director

Welcome to spring, daylight savings, and our March update. What a month it has been! Reflecting on the journey we've shared at Hope's Path, I am filled with gratitude and joy for each remarkable moment and milestone we've encountered.

Firstly, a significant highlight was the baptism of one of our interns. This profound step in his spiritual journey celebrated faith and personal growth, resonating deeply with all of us at Hope's Path. Seeing the strength and courage in our interns as they embrace their journeys is nothing short of inspirational.

One of our awesome updates includes the wonderful news of one of our guys securing a job at HEB. Not only has he stepped into this new role, but he is also excelling and making us all proud. His thriving at work is a testament to his hard work, resilience, and the supportive environment we nurture here at Hope's Path. His success is our shared celebration, highlighting the incredible achievements our interns are capable of.

March also brings an exciting collaboration with the local chapter of the American Legion. They've generously offered their time and efforts for a workday dedicated to yard cleanup to make our property shine even brighter. Through partnerships like these, we experience the profound impact of community collaboration and support. We will cap off this special day with a simple yet enjoyable hotdog cookout, reinforcing the bonds within our community. It's a wonderful opportunity for our interns, staff, and volunteers to come together, reflecting on our shared experiences and the vibrant community spirit that defines Hope's Path.

As we look forward to the month ahead, I am filled with hope and excitement for the future. May this newsletter inspire you with the stories of change, courage, and community fueling Hope's Path. Here's to a beautiful month ahead, and may God continue to bless Hope's Path and your family with love, strength, and prosperity.

God Bless,

Brandon Anderchuk  
Executive Director

# Program Highlights

## Vincent Got Baptized

Congratulations to one of our youngest interns at Hope's Path, Vincent, on his recent baptism at Magnolia First Baptist Church! On Sunday, February 18th, he took a significant step in his faith journey by being baptized in front of close friends, his mentor, and Ted MacVaugh, our Program Director. The decision to make a public proclamation of his faith is inspiring and resonates deeply with the mission of Hope's Path. As a Christ-centered and faith-based nonprofit organization, our heart is to share Jesus' love and plant the seed of faith in the young men who go through our program. Seeing Vincent embrace his faith boldly and follow Jesus is a profound victory for him and Hope's Path. Congratulations on this milestone in his spiritual journey!

## Thank You, Lone Star Grand Guild, for Your Support

We thank the Lone Star Grand Guild for their outstanding fundraising efforts and generous donation to Hope's Path this past month.

We were honored to have our Program Director, Ted MacVaugh, invited to their annual gala to be presented with the check and share our impactful work at Hope's Path. It was a powerful moment to connect with the Lone Star Grand Guild members and shed light on the stories of hope and transformation made possible through supporters like them.

Their generosity will help us continue our mission of spreading hope and healing. Thank you for believing in our mission and being champions of positive change in our community.

## Make-A-Meal, A Great Way to Volunteer

Suppose you're interested in making a difference and sharing a meal with our interns while engaging in good conversation. In that case, we invite you to check out our volunteer page by [clicking here](#) for more information on getting involved.

Recently, Sophie volunteered with us through our make-a-meal program. Sophie cooked a scrumptious meal of nachos that our guys devoured! Her cooking skills and generosity were truly appreciated, and it's clear that all enjoyed her efforts.

Thank you, Sophie, for your kindness and being a beacon of light in our community. Your involvement at Hope's Path is a blessing, and we are grateful for you.

## Exciting Triplex Project Update

We are excited to share a progress update on our Triplex project at Hope's Path! Great news - our septic and building permits have been APPROVED, bringing us one step closer to making this vision a reality.

Thanks to the incredible support of our generous donors and foundations, we have raised \$147,000 out of the \$250,000 total cost for the project. Your contributions make a difference and bring us closer to achieving our goal.
